**Subject: Realignment of Drug Courts and
Notice of Change to Grant Awards**

Dear County Alcohol and Drug Administrators:

Chapter 40, Statutes of 2011 (AB 118) and Chapter 13, Statutes of 2011, 1st Extraordinary Session (ABX1 16) implement 2011 Realignment. Effective July 1, 2011, substance abuse treatment program funding is realigned from the state to local governments and redirects specified tax and other revenue sources to fund this effort. AB 118 contains various substance abuse treatment subaccounts within the Local Revenue Fund 2011, one of which is the Drug Court Subaccount.

The realignment of drug court funds to the counties is effective as of July 1, 2011 and revenues to the Drug Court Subaccount are for Fiscal Year (FY) 2011-12 program expenditures. These revenues will be allocated beginning in September 2011 by the State Controller. Therefore, with the Local Revenue Fund 2011, Drug Court Subaccount funding in place, this letter serves as notification of termination of the Comprehensive Drug Court Implementation (CDCI) Notice of Grant Awards (NOGAs) for Program Year 2011 as of July 1, 2011. The Department of Alcohol and Drug Programs (ADP) will not accept invoices for the expenditure period of July 1, 2011 to December 31, 2011. Pursuant to AB 118, counties are required to create a County Local Revenue Fund 2011 and a Health and Human Services Account within the County Local Revenue Fund 2011 in order to receive the realignment funds from State Controller's Office. The State Controller will begin monthly allocations from the Drug Court Subaccount in September 2011, pursuant to an allocation schedule that has been provided by the Department of Finance.

Multi-Agency Plans and NOGAs for CDCI, Drug Court Partnership (DCP) and Dependency Drug Courts (DDC) for FY 2011-12 are no longer required to be submitted to ADP. Under realignment, the total of all three drug court allocations – CDCI, DCP and DDC, –will be combined into one allocation for FY 2011-12. The allocation methodology for FY 2011-12 is based on the total amount each county was allocated for CDCI, DCP and DDC in FY 2010-11 divided by the combined total funds available. The allocation percentages will be applied to the funds deposited in the Drug Court Subaccount on a monthly basis.
